Lord's Gym City Center
Group Volunteer Application

The City Center is unlike any organization in Stockton. While it's vision is to provide a safe haven for the underserved youth population in San Joaquin, the Center is also providing opportunities for educational advancement, soft skills development, and relationship building with the community at large.

Please email or drop off your completed group application to our Power Partner Team at the City Center: powerpartners@lordsgymcitycenter.org | 848 E. Hammer Lane, Stockton, CA 95210

Once we receive your application we will email you with any questions and/or an email confirming a date for your group to partner with us.

** Minimum age to partner without parental guidance is 13 years old. Junior Partners (13-17) require a permission slip.

Name of Group:_____
